

**Memorandum of Understanding
between
Yıldız Technical University
and
Rowan University**

Preamble

In order to strengthen cross-cultural ties and promote international understanding, academic excellence, international research and development, education for students, faculty and staff, Rowan University and Yıldız Technical University enter into this Memorandum of Understanding and agree to the following:

Purpose

- This Memorandum of Understanding is one of mutual cooperation in pursuit of objectives expressed herein, and nothing in this Memorandum of Understanding shall be construed as creating a legal relationship between the parties.
- In order to carry out the below-mentioned activities, a detailed plan including the financial matters shall be agreed to upon consultation between the two institutions and put forth in writing.

Content

Based on the principles of mutual benefit and respect for each other's independence, the two institutions agree to foster:

- Research and Development
- Student Exchange
- Joint Educational Programs
- Exchanges of Academic Personnel

Commencement and termination

It is understood that the implementation of this Memorandum of Understanding will commence on the day the last signature is put to paper, and will continue thereafter for five years, subject to revision or modification by mutual agreement. Representatives from both institutions will discuss the terms of a renewal at least six months prior to the natural termination of the current Memorandum of Understanding.
